We have been offering natural solutions to make the nation, a green & cool place.

India's demographic condition make it experience dry heat & humid warmth throughout the year.

We at PAYTON, understand each segment, from small rooms/offices to big size halls and manufacture a wide range of efficient coolers that pays "the value" of the investment made by our customers.

Currently, we are dealing in RAJASTHAN, MADHYA PRADESH, GUJARAT with a vision to expand throughout the country.
